MEMORANDUM FOR: Chief, Data Management Division
Chief, Publications Staff
Deputy Chief, Photo Analysis Division
Acting Chief, Requirements Staff
Chief, Security Staff

SUBJECT: Proposed Release of T Materials under SECRET Classification

REFERENCE: TCS-7651/60/B

1. The Chief, DMD is requested to convene a meeting with the addressees for the purpose of discussing the subject release of T materials under a SECRET classification and evaluating PIC workload implications of this action. As soon as practicable the findings of the group should be submitted to the Office of the Director in order that appropriate advice may be given the DD/I concerning Center capabilities to handle our current workload augmented by whatever additional work we may be called upon to perform by virtue of the proposed reclassification action.

2. It is presumed that the proposed reclassification action will have direct bearing upon our pending personnel augmentation request and, accordingly, discussion of this request with the DD/I will await the receipt of your findings. In view of the Center's present need for additional personnel, this assignment should be carried out as promptly as possible.
